

NAME THE ROBOT CONTEST

We are very excited to bring state-of-the-art technology through robotic surgery to Whitfield Regional Hospital. We are seeking the community's help in coming up with a name for our new da Vinci Xi robot.

The da Vinci Xi provides an alternative to open surgery that reduces hospital stays and lowers the risk of complications associated with open procedures. This advanced technology provides Whitfield Regional Hospital with the ability to make minimally invasive surgery our standard of care. The da Vinci Xi will help us get our patients back to living their best lives sooner!

CONTEST RULES

- the contest is open to all ages
- limit one entry per person
- deadline for submission is Friday, April 15, 2022, at 11:59pm
- blind judging will be done by panel of community leaders

Winning entry will receive a \$250.00 Parr's Gift Card .

Winning entry will be announced no later than April 22, 2022,
on Whitfield Regional Hospital's Facebook and Instagram.

Entry must include your suggested name for the robot, your full name,
mailing address, phone number, and email.

The winning entry will be displayed in the surgery department of the hospital and may be used in future hospital publications and advertisements.
